9.3 Millreferences are to be found on BBS ONOCK or on the BMA site [www.ktk.be/bma](http://www.ktk.be/bma)

## 10 - Points

A QSO with a belgian station counts 3 points.  
A QSO with a foreign station counts 1 point.  
A QSO with a station on a millreference counts 10 points.

## 11 - Multipliers

All belgian provinces. (1x)  
All millreferences. (1x)  
Total multipliers = the sum of different Belgian provinces added to the sum of the different millreferences.  
Eg.: 10 different millreferences on 40 m + 5 different millreferences on 80 m + 8 different provincereferences on 80 m = 23 multipliers

## 12 - Score

(total QSO's minus penalties )times multipliers.

## 13 - Multiband

Change of frequencyband is only allowed every 10 minutes.

## 17- Final remarks

For more information about this contest please contact Katy [on6wv@ktk.be](mailto:on6wv@ktk.be)

## 18- Announcement millreferences

a)For those who participate from a millreference,please inform Katy **two weeks** before the contestdate which mill you will activate. This in order to prevent that several stations would activate the same mill on the same frequency during the contest.The objective is to activate as much different millreferences as possible.

b)It is acceptable that two stations work on the same millreference, but on a different part of the contest(40/80m SSB en 2m SSB & FM), after mutual consent.

c)Before installing yourself at a mill, please ask Katy [on6wv@ktk.be](mailto:on6wv@ktk.be) if this millreference is not yet taken.

d)the participants from a millrefence will report his reference only on the following emailadress [on6wv@ktk.be](mailto:on6wv@ktk.be)

**Lots of succes, from the BMA-team and UBA-section KTK.**
